8 than for class design) unless funds are obligated or ex-  
9 pended during such fiscal year for a contract in support  
10 of procurement of the second vessel under the program.

11 **SEC. 8099. LIMITATION ON USE OF FUNDS FOR COOPERA-**  
12 **TIVE THREAT REDUCTION.**

13 (a) LIMITATION.—Of the funds available under title  
14 II under the heading “FORMER SOVIET UNION THREAT  
15 REDUCTION” for dismantlement and destruction of chemi-  
16 cal weapons, not more than \$52,000,000 may be obligated  
17 or expended for that purpose until the President certifies  
18 to Congress the following:

19 (1) That the United States and Russia have  
20 completed a joint laboratory study evaluating the  
21 proposal of Russia to neutralize its chemical weap-  
22 ons and the United States agrees with the proposal.

23 (2) That Russia is in the process of preparing,  
24 with the assistance of the United States as nec-  
25 essary, a comprehensive plan to manage the dis-

1       mantlement and destruction of the Russia chemical  
2       weapons stockpile.

3           (3) That the United States and Russia are  
4       committed to resolving outstanding issues under the  
5       1989 Wyoming Memorandum of Understanding and  
6       the 1990 Bilateral Destruction Agreement.

7       (b) DEFINITIONS.—In this section:

8           (1) The term “1989 Wyoming Memorandum of  
9       Understanding” means the Memorandum of Under-  
10      standing between the Government of the United  
11      States of America and the Government of the Union  
12      of Soviet Socialist Republics Regarding a Bilateral  
13      Verification Experiment and Data Exchange Related  
14      to Prohibition on Chemical Weapons, signed at  
15      Jackson Hole, Wyoming, on September 23, 1989.

16          (2) The term “1990 Bilateral Destruction  
17      Agreement” means the Agreement between the Unit-  
18      ed States of America and the Union of Soviet Social-  
19      ist Republics on destruction and non-production of  
20      chemical weapons and on measures to facilitate the  
21      multilateral convention on banning chemical weapons  
22      signed on June 1, 1990.

1 **SEC. 8100. SENSE OF SENATE REGARDING UNDERGROUND**  
2 **NUCLEAR TESTING.**

3 (a) FINDINGS.—The Senate makes the following  
4 findings:

5 (1) The President of France stated on June 13,  
6 1995, that the Republic of France plans to conduct  
7 eight nuclear test explosions over the next several  
8 months.

9 (2) The People's Republic of China continues to  
10 conduct underground nuclear weapons tests.

11 (3) The United States, France, Russia, and  
12 Great Britain have observed a moratorium on nu-  
13 clear testing since 1992.

14 (4) A resumption of testing by the Republic of  
15 France could result in the disintegration of the cur-  
16 rent testing moratorium and a renewal of under-  
17 ground testing by other nuclear weapon states.

18 (5) A resumption of nuclear testing by the Re-  
19 public of France raises serious environmental and  
20 health concerns.

21 (6) The United Nations Conference on Disar-  
22 mament presently is meeting in Geneva, Switzerland,  
23 for the purpose of negotiating a Comprehensive Nu-  
24 clear Test Ban Treaty (CTBT), which would halt  
25 permanently the practice of conducting nuclear test  
26 explosions.

1           (7) Continued underground weapons testing by  
2           the Republic of France and the People's Republic of  
3           China undermines the efforts of the international  
4           community to conclude a CTBT by 1996, a goal en-  
5           dorsed by 175 nations, at the recently completed  
6           NPT Extension and Review Conference (the con-  
7           ference for the extension and review of the Nuclear  
8           Non-Proliferation Treaty).

9           (b) SENSE OF THE SENATE.—It is the sense of the  
10          Senate that the Republic of France and the People's Re-  
11          public of China should abide by the current international  
12          moratorium on nuclear test explosions and refrain from  
13          conducting underground nuclear tests in advance of a  
14          Comprehensive Test Ban Treaty.

15       **SEC. 8101. TESTING OF THEATER MISSILE DEFENSE INTER-**  
16                               **CEPTORS.**

17          (a) APPROVAL BEYOND LOW-RATE INITIAL PRODUC-  
18          TION.—The Secretary of Defense may not approve a thea-  
19          ter missile defense interceptor program beyond the low-  
20          rate initial production acquisition stage until the Secretary  
21          certifies to the congressional defense committees that the  
22          program—

23                (1) has successfully completed initial oper-  
24                ational test and evaluation; and

25                (2) involves a suitable and effective system.

1 (b) CERTIFICATION REQUIREMENTS.—(1) In order  
2 to be certified under subsection (a), the initial operational  
3 test and evaluation conducted with respect to a program  
4 shall include flight tests—

5 (A) that were conducted with multiple intercept-  
6 tors and multiple targets in the presence of realistic  
7 countermeasures; and

8 (B) the results of which demonstrate the  
9 achievement of baseline performance thresholds by  
10 such interceptors.

11 (2) The Director of Operational Test and Evaluation  
12 shall specify the number of flight tests required with re-  
13 spect to a program under paragraph (1) in order to make  
14 a certification referred to in subsection (a).

15 (3) The Secretary may utilize modeling and simula-  
16 tion validated by ground and flight testing in order to aug-  
17 ment flight testing to demonstrate weapons system per-  
18 formance for purposes of a certification under subsection  
19 (a).

20 (c) REPORTS.—(1) The Director of Operational Test  
21 and Evaluation and the head of the Ballistic Missile De-  
22 fense Organization shall include in the annual reports to  
23 Congress of such officials plans to test adequately theater  
24 missile defense interceptor programs throughout the ac-  
25 quisition process.

1       (2) As each theater missile defense system progresses  
2 through the acquisition process, the officials referred to  
3 in paragraph (1) shall include in the annual reports to  
4 Congress of such officials an assessment of the extent to  
5 which such programs satisfy the planned test objectives  
6 for such programs.

7       (d) DEFINITION.—For purposes of this section, the  
8 baseline performance thresholds for a program are the  
9 weapon system performance thresholds specified in the  
10 baseline description for the weapon system established  
11 pursuant to section 2435(a)(1) of title 10, United States  
12 Code, before the program entered into the engineering and  
13 manufacturing development stage.

14 **SEC. 8102. ELIGIBILITY FOR DEFENSE DUAL-USE ASSIST-**  
15 **ANCE EXTENSION PROGRAM.**

16       Section 2524(e) of title 10, United States Code, is  
17 amended—

18           (1) in paragraph (3), by striking out “at least  
19       25 percent of the value of the borrower’s sales dur-  
20       ing the preceding year” in the matter preceding sub-  
21       paragraph (A) and inserting in lieu thereof “at least  
22       25 percent of the amount equal to the average value  
23       of the borrower’s sales during the preceding 5 fiscal  
24       years”;

1           (2) by redesignating paragraph (4) as para-  
2       graph (5); and

3           (3) by inserting after paragraph (3) the follow-  
4       ing new paragraph (4):

5       “(4) A borrower that meets the selection criteria set  
6       forth in paragraph (2) and subsection (f) is also eligible  
7       for a loan guarantee under subsection (b)(3) if the bor-  
8       rower is a former defense worker whose employment as  
9       such a worker was terminated as a result of a reduction  
10      in expenditures by the United States for defense, the ter-  
11      mination or cancellation of a defense contract, the failure  
12      to proceed with an approved major weapon system, the  
13      merger or consolidation of the operations of a defense con-  
14      tractor, or the closure or realignment of a military instal-  
15      lation.”.

16       This Act may be cited as the “Department of Defense  
17      Appropriations Act, 1996”.

Passed the Senate September 5, 1995.
